

Our Vision is in Your Future

Learn More About Your Vision Benefits

Understanding what's available to you and how to get the most out of your plan will help keep your out-of-pocket expenses low. Your plan includes the benefits below. And our robust provider network is composed of highly credentialed ophthalmologists, optometrists, and retail chains near you.*

Routine Eye Exam

Your plan provides coverage for an annual comprehensive eye exam, covered in full (after copay, if applicable). Those routine eye exams can foretell a host of health issues:¹

- Diabetes
- High blood pressure
- High cholesterol
- Glaucoma, cataracts, macular degeneration
- Thyroid disease
- Autoimmune disorders
- Tumors
- Cancer

Frames

Your plan entitles you to a pair of frames up to your frame allowance.

Standard Spectacle Lenses

Your plan entitles you to a pair of standard spectacle lenses, covered in full after a materials copay (if applicable).

Contact Lenses

Your plan covers contact lenses up to your plan allowance, in lieu of frames and spectacle lenses.

1. Locate a provider.

Use our provider directory—at www.guardiananytime.com, or at 844-557-2646 to find a provider within a 5- to 50-mile radius.

2. Make an appointment.

Identify yourself as a Guardian Vision Avèsis member. Provide your Unique Member ID number from your member ID card that begins with the number 9 or your name and date of birth. The provider's staff will verify benefits before your visit.

3. See the provider.

That's it! You can relax knowing that our in-network providers will give you the best value—in both benefit dollars and satisfaction.

LASIK Benefit

The one-time LASIK benefit is in addition to, not in lieu of, your eyeglass or contact lens benefit. Using our LASIK partner, QualSight, saves members up to 25 percent on the provider's lowest advertised price. For participating providers, visit www.QualSight.com
